Communicating with us

It is really important that you advise us if anybody different is collecting your child. If you are unable to call please email the information to us. This saves us trying to get hold of parents at the end of the day to clarify that the person that has arrived at nursery is authorised to collect on your behalf.

Urgent Notice

It has been bought to our attention that a child has been left in the car unattended while the parent returns back into nursery. Please make sure children are not left unattended, if you have to return into nursery please bring them with you

Car park

Please only use the parking bays on the car park, do not use the yellow areas as these are our areas if we need to evacuate in an emergency

Suitable Footwear

It is important that children wear comfortable but supportive footwear while in nursery. We are asking that children don't wear crocs or wellies inside, if the children want to come to nursery in these please make sure they have a change of shoes in their bag that they can change into for inside nursery.

Facebook

Please like our Facebook page so you can see some of the exciting activities the children have been doing.

School Admissions 2022

The portal is now open for you to complete your application if your child is going to school in September 2022.

Closing date is 15th January 2022

Coronavirus

Dropping off and collection

- In a morning please could we ask parents to wait in their cars until 7.30am and not to gather in the reception area as this is a small space and difficult to social distance.
- We still need to keep the amount of people coming into nursery to a minimum. Therefore we are continuing to ask parents that only one person drops off or collects.
- Please don't bring older siblings into nursery if possible, however we realise that sometimes parents will have siblings with them so if this is the case bring them into nursery, please do not leave them in the car alone.
- **Please do not stand for long periods of time in your child's room. If you have lots of information or questions please send an email and we will pass this to the staff.**
- **Please do not stand in the nursery corridors chatting to other parents. We are trying to reduce the amount of time parents are spending in nursery and it also makes it difficult for other parents to pass and socially distance if they are wishing to.**

Face Masks

These are not mandatory but we are still asking parents and visitors to wear them while in nursery. If you do not wish to wear a face mask we understand and you will still be able to enter nursery

Hand Sanitiser

Please continue to use the hand sanitiser in reception and around nursery

Symptoms

If your child develops any symptom or has a temperature of 37.8 or over you will be contacted to collect and you will need arrange a PCR test. (Not a home lateral flow test)
You will need to self isolate until you receive the results of the PCR test. If your child is well enough they can return to nursery once a negative result is received.

Symptoms: High Temperature, new continuous cough, loss of taste/smell

Positive Cases

In the event of a positive case within nursery we will notify you if your child is a contact. Children who are a contact won't have to isolate but will be advised to take a full PCR test. Children do not have to isolate while waiting for the PCR results, if the result is positive then they must self isolate.

Keeping us informed

Please email a copy of your child's PCR result to info@lawleyvillagedaynursery.co.uk
